

Minutes, Cable Commission Meeting April 30, 2018

Meeting came to order at 5:33 p.m.

Attendees:

Joe Turant

Lee Beckerman

Bruno Martin

John Hagerty

Michael Esolda

Approval of minutes from the March 19, 2018 meeting. Motion made by Bruno Martin seconded by Michael Esolda. There were no minutes of the April 10th meeting because there was not a quorum.

147 Survey's as of April 20th returned. They will be gone thru on May 11th by Lee Beckerman, Bruno martins and Joe Turant

There is still no end date for the cutoff of the Survey.

Letters were sent out to the six (6) cable companies in New Jersey. As of this date none have replied.

No Public Meetings will be scheduled as they are not required. Also, Councilman Spillar mentions the Committee's work at each council meeting.

We will try to have an electronic tally for our survey's.

A meeting date will be arranged so that everyone can attend. Possibly one that starts at 6:00 p.m. (May 10th at 6:00 p.m.)

It was decided that BPU reports should be contained in the Ascertain Report. We imagine that they will be of little help.

Lee Beckerman will reach out to Comcast for a record of complaints lodged with them, but we expect little cooperation from them.

We need to ask Attorney Eric Lange what he needs from us so that he can complete the Ascertainment Report

We also need to start at some point to gather a list of what we want to negotiate with Comcast. Some information will be gleaned from the Survey's.

Lee Beckerman will inquire about free sites we have in the Township. (Fire, First Aid, Schools, etc.)

Motion to Adjourn was made by Bruno Martins at 6:11 p.m. seconded by Joe Turant
