## Woodbridge Libraries will accept food for fines

During the week of November 20-26<sup>th</sup>, the Woodbridge Public Library Board of Trustees invite library patrons to return long overdue materials, or visit to renew their cards with amnesty from overdue fees with the donation of food, one non-perishable item for each overdue item, to replenish the Woodbridge Health Department program, "We Feed Woodbridge." The library is also looking for community input on improving our services. Please text WPLNEWS to 22828, and send us your e-mail address to receive a survey. You can also visit the library home page, [www.woodbridgelibrary.org](http://www.woodbridgelibrary.org) to fill in a survey.
