

MAYOR JOHN E. McCORMAC
COVID-19_TV-35 MESSAGE
FRIDAY, JULY 31, 2020

This is Woodbridge Mayor John McCormac and today is Friday, July 31.

Well it was another good four days in Woodbridge with only five cases of Coronavirus reported – three on Monday, zero on Tuesday and one each on Wednesday and Thursday. For a change there were also no new cases in State or health care facilities and thankfully there were also no new deaths to report.

No matter what statistic we measure the numbers are great. July is our lowest full month ever in total cases and we averaged less than four per day. We have averaged two cases per day in the last week. We have not had a day with more than five cases since July 13. It's all good.

Let's maintain the progress by continuing to follow the State guidelines of social distancing and the wearing of face coverings especially indoors. Always keep an eye on your neighbors.

We have made the decision to cancel Summerfest 2020 and add those shows to our weekly concert series. Real Diamond, a Neal Diamond cover band, will perform on Monday September 14. Saints in the City, a Bruce Springsteen cover band, will perform Tuesday September 15.

On September 11 the Township's usual 911 ceremony will move to the concert field behind Woodbridge High School. We will remember the Woodbridge residents who perished 19 years ago and honor the first responder heroes who risked their lives then to save others. We will then remember those residents who passed in the last five months from the awful Covid19 virus or other complications and then we will honor our police, fire and first aid employees and volunteers and also all of those amazing health care workers like doctors and nurses and caretakers who put themselves in harm's way to keep us safe. A terrorist attack in 2001 and then a pandemic 19 years later both cost valuable lives and both brought out the best in people who acted without regard to their own safety to prevent the loss of additional lives. They deserve our gratitude.

So my dopey friend went to the pet store and said "I want to buy a goldfish for my granddaughter" and the Clerk asked "Would you like an aquarium" and my friend said "I really don't care what Zodiac sign the fish was born under!!!!"

Thank you. Stay safe and have a great weekend.
