1 College Dr.  
Toms River, NJ

Brookdale  
Community College  
765 Newman Springs Rd.  
Lincroft, NJ

— **WHY ARE WE DOING THIS?**

The pandemic has drastically changed the way people job search. **The Middlesex County Workforce Development Board** is hosting this **FREE Drive-Thru Job Fair** to help connect job seekers in a safe way with jobs available in their communities.

— **HOW WILL THIS WORK?**

- Job recruitment flyers from local employers and information on workforce-related programs will be distributed - one per car.
- Registration for job seekers is not required.
- Staff will be wearing masks & gloves; drivers should wear a mask.
- Bring your resume. It will be collected for a job match database.

— **WHAT ELSE SHOULD YOU KNOW?**

- Employers will **NOT** be available on-site the day of the event.
- Check [www.middlesexcountynj.gov](http://www.middlesexcountynj.gov) for a list of participating employers after October 9.
- Drive-Thru Job Fairs are being hosted at three other locations as part of a Central Jersey regional approach to let job seekers know there are still opportunities available in their local areas.

*This event is being held in collaboration with the Ocean, Monmouth and Greater Raritan Workforce Development Boards, Central Jersey Partners, and Old Bridge Township.*
