

Welcome to...

WOODBIDGE

At the crossroads of New Jersey, people have been coming to Woodbridge Township since 1664.

Noted for its progressiveness,

Woodbridge still has some of that Colonial charm mixed with corporate office towers, highways, waterfront and rail lines.

Chartered in 1669, Woodbridge is the oldest original Township in the state. Despite its 26 square miles, the Township has the feel of small-town America. Woodbridge offers quiet, tree-lined neighborhoods, downtowns, local schools within a short walk and a responsive government focused on the needs of those who choose to live, work and play here.

I welcome you to learn more about our great Township, as well as how we can work together to make you a part of our community fabric. Please contact my office; our door is always open.

Sincerely Yours,
Mayor John E. McCormac
