

## RETURNING CLASSES AT THE BARRON ARTS CENTER: SPRING SESSION

# Art & Art History For KIDS

Ages  
8-12yrs

Help lay the foundation of a well-rounded arts education for your child.

**Art & Art History for Kids** introduces kids ages 8-12 to famous artists, works of art & specific historical artistic periods. Each week children will complete a project based on an artist, style, or time. Some projects might include Archaic Greek Pottery, French Impressionism, Cubism with Picasso & Abstract Expressionism with Jackson Pollock. Children will also get an idea as to the social environment of the artist with a look at music and significant historical events of the time. This is a fun interactive and open-ended environment designed to spark creativity.
