Public Meeting:

there will be no shouting out from your seats. Please respect each other and please make sure all signs or posters are not blocking walkways or aisles. Thank you very much.

John Mitch, Municipal Clerk: Any comments from the public this evening? Any public comment?

Ken Gardner, Woodbridge: Spoke about the Fire District Elections and running for Fire Commissioner in the election, 2022 Primary and General Elections, the Volunteer Fire Company continues to look for members and all training is free. Because of all of the building going on, our Fire District will most likely be hiring additional career Fire Fighters in the years ahead. Contact Michael Hapstak at 732-602-6034, if anyone is interested in volunteering. Expressed his displeasure with all of the apartment buildings being built. Wished the new person taking over for First Ward Council good luck and hopes that person will side with the residents in opposing the new apartment building projects.

Asked Mr. Mitch to correct him if he is wrong but, Council will appoint tonight but then there will still be a June Primary and in November the election and then after the November election as soon as that election is certified, that person will take over the remainder of the term. Am I understanding correctly?

John Mitch, Municipal Clerk: That's correct.

John Vrtaric, Woodbridge: Spoke about a train running across Route 35 around 3 O'clock. Counted over 100 trailer cars. Is there any way the Fire Department knows if there is a train coming through, coming across Amboy Route 35? Is there a schedule? If the Fire Company is called for help, will they know that there is a train there?

Council President Bauer: I don't think they are made aware of it Mr. Vrtaric, but on the south side of the railroad track of Route 35 is Woodbridge Fire District. I think when they did draw the lines, way back when, the north side is Avenel District Five and that's why the district was split that way so if a train is there, Avenel gets dispatched and if it's the south side, Woodbridge gets dispatched. Me being a volunteer myself in the Fire Company/Fire Service, when they do need mutual aid, Fords and Keasbey come down Route 9 and are able to cover the north side or the south side so we have the line split that way because of the trains. There is fire protection on both sides of those tracks. No matter what, if there is a train or not there. If you call from the north side of those tracks, it's got to be dispatched to Avenel District Five, if it geo tabs to the south side of those tracks you're going to get Woodbridge.

John Mitch, Municipal Clerk: We are not aware of the train schedule.

John Vrtaric: I believe they have a schedule of when they come through.

Council President Bauer: I've been in fire service for 20 years and I don't think there has been an issue.

John Vrtaric: I don't live in Fords, I live in Woodbridge, a different town.

Council President Bauer: It's not like it is a commuter line where it's running every hour.

Councilman Spillar: Council President.

Council President Bauer: Yes, Councilman Spillar.

Councilman Spillar: Thank you, Council President. Obviously we have all encountered this with the trains; Avenel, Port Reading and Woodbridge. I'm thankful to the Administration, we've gone out numerous times, reached out to the Administration, to the Conrail and no, they are not required to notify us. And even if they did, we've all seen that train, we've all talked about it, the gentleman next to me and I have talked about it, the Mayor and the Administration. The trains come, they stop, and they switch at the switcher. So, they could tell us they are going to be there at 3 o'clock, but get delayed and now it becomes 3:30, which is right at school dismissal. It's been an issue for us. The Mayor, the Administration and Legal has talked to Conrail regarding that as well as other Conrail issues but no, they are not required.

Council President Bauer: Thank you, Councilman Spillar. Thank you, Mr. Vrtaric.

John Mitch, Municipal Clerk: Are there any other comments this evening from the public? Hearing no other comment, can I get a motion that the public comment portion be closed?

Council Vice President Ficarra made a motion to close the public portion of the meeting which was seconded by Councilman Anderson and carried unanimously.

John Mitch, Municipal Clerk: We'll go right into the Agenda.

John E. McCormac, Mayor: Council President, would you mind if I just corrected one thing that Mr. Gardner said? He said the downtown development is causing the hiring of new fire officials in Woodbridge Township. That is not accurate. In fact, he asked the President of the Fire Company at a meeting that exact question. Jack Kenney told him no, that has nothing to do with the new development. We were hiring four new fire department employees anyway. There is no way that seven buildings downtown would require the hiring of four additional police officers. And despite his attempt to falsely claim that is the reason why they are being hired, it is not. They're being hired because like every fire department there is less and less volunteers. In Woodbridge and in everywhere else in Woodbridge Township and the county and the state and probably the country, there is less and less volunteers. And that is why there are more fire officials being hired full time. It's not due to development. He was told that and still he repeated a falsehood at this meeting. Thank you, Council President.

Council President Bauer: Thank you, Mayor.

HOWIE BAUER, COUNCIL PRESIDENT / 2nd WARD COUNCILMAN:

Council President Bauer: At this time we'll go to into our Agendas.

Also, this new strain of COVID–19 is highly contagious and is spreading throughout our community. We encourage all individuals to get vaccinated and get their boosters. Most importantly, if you feel sick, stay at home.

U.S. Congress designated January as Cervical Health Awareness Month. More than 13,000 women in the United States are diagnosed with Cervical Cancer each year. During January, the National Cervical Cancer Coalition works with many chapters across the country to highlight issues related to Cervical Cancer, HPV disease and the pros of early detection and prevention.

Thank all of our First Responders and our Essential Employees for their hard work and dedication throughout our community during this ongoing Pandemic. God Bless them and God Bless America. That’s all I have. Council Vice President Ficarra.

And this is back to what Mr. Gardner said too, all of our local fire districts are always seeking volunteer fire fighters who at least must be 18 years old and all training is free. This is a great stepping stone for those who are seeking a career opportunity in Firefighting or those that would just like to give back to their communities. Council Vice President Ficarra: Number one on my agenda, the Woodbridge Community Center and also The Club at Woodbridge. During the month of January, the Community Center has the opportunity for non-members to stop by and use the facility with a 3 day pass to give you a little feel for what's going on over there. They also waive the joiner's fee for the month of January so it's a nice opportunity. Also having some discussions with the folks over there if you're a member of any kind of organization in town or private or not for profit, the Community Center has some great seminar and workshop space and services there and it is available you can call over there or check on their website for all activities at the Community Center, www.njwcc.com. I mentioned at the last meeting that the Ice Skating Rink over at the Club opened up and that was a nice victory for Woodbridge over Marlboro, I believe. It's a beautiful facility and expands the capability of that community of skaters, which also has some positive influence on the economy of our town. If you are not having any of the symptoms, they have cut it down to 5 days and 5 days in a mask but that's going to vary depending on what situation you are looking at; if it's school related or work related. No one should ever have to go to bed hungry so we make it our mission in Woodbridge to provide people with food and necessities. The Have a Heart Food Drive is coordinated by Peter Barcellona, Chairman of We Feed Woodbridge Food Committee. All you need to do is call Peter at 732-855-0600 and tell him where and when to pick up the donation and we will have volunteers come to your location. Or if you would like to make a monetary donation, you can make a check out to We Feed and send it over to the Health Department at 2 George Frederick Plaza, Woodbridge, NJ

07095. We always think about donations during the holidays, but hunger really has no season. So we need them through the winter. That's when our food pantries are the lowest.

Councilwoman Meehan: I just want to thank everybody. Two weeks ago there was a terrible fire in Colonia where the family lost everything. Luckily the family escaped with two of four of their dogs. Two of the dogs at first were missing but the firemen continued to look for the dogs and four hours later the dogs were found sick but they were able to pull through. They spent about a week in the Veterinarian hospital with oxygen and they are home now with the rest of their family. I just wanted to thank everybody that donated a gift card, monetary donations for the family themselves and also for the care of their dogs, which was very expensive. The generosity of the community was overwhelming and I just want to thank everybody. Everybody always seems to come together when there's a tragedy in Woodbridge Township. And for that I am so grateful and it is amazing to see. Also I would like to thank the Colonia Fire Department and to all the fire departments and police officers that were on the scene that night that braved the freezing weather that evening to help battle the fire and keep the other homes from catching fire. Their job is not an easy job during especially during these winter months. And that's all I

have this evening. Thank you.

Councilman Small: Mr. President, if I could just chime in a second. What Councilwoman Meehan just spoke about, in regards to that fire and pets, what she failed to mention was that she took the two dogs to the emergency vet and also rounded up the donations, over \$6,000.00, for their treatment for the week. I just like to embarrass my fellow council member about all the good she does for this community, thank you.

5. Re-Warding (Ward Boundaries) Board of Ward Commissioners.

Mr. Mitch: I will drop down to Number 6. Which is the re-warding/re-setting of the Ward boundaries. Which I've explained before is a necessity to review after each Census. The Board of Ward Commissioners, as I've made you aware, adopted revisions last week, which I've shared with every one of you. I thank both political parties in Woodbridge for their input, if any. This charts the course for the next ten years, so that is going to be noted.

6. Council Vacancy (First Ward).

Mr. Mitch: Finally, the Council vacancy with the passing of late Councilwoman, Nancy Drumm. As you are aware the WDO had to submit to me names of three people for your consideration for replacement of her position up until the Certification of November's General Election 2022. I received a letter signed by their Chair recommending three names; Sharon McAuliffe, Jay Barcellona and Robert Minkler. With that said, if you're inclined to do so, I'm prepared with a Resolution to approve tonight, one of those names if you have consensus. Otherwise, that's all I have. At this time, if you'd like, if anybody wants to make a motion, I will entertain a motion to appoint the vacancy.

Council Vice President Ficarra: Mr. Mitch, Council President. Thanks to the Democratic Organization for their three nominations for the First Ward Council Position. Thank you to Jay and Rob for putting themselves out there and having their interest and dedication. It's an honor for me to nominate Sharon McAuliffe for the First Ward Council Position. Sharon is a lifelong resident of Woodbridge Township. And like her best friend Nancy Drumm, has a strong tie to the Woodbridge Fire Department through her father Tom and their family. She is a local business owner with a long history of support for local charities' and Township events. She was Nancy's best friend and confidant. She regularly attended Township functions with Nancy. I believe her skills and experience will serve her well as Councilwoman in the First Ward. Thank you Mr. Mitch and Council President.

Mr. Mitch: Thank you. Is there a second on that nomination?

Councilman Anderson: Mr. Mitch, Council President, I would like to second that nomination. I first would like to thank the Woodbridge Democratic Organization for their coordination around this unfortunate reason on why we have to come together at this time. But I would also like to

thank Rob and Jay for being very worth candidates for this position. Mr. Mitch, I would like to second the nomination of Ms. Sharon McAuliffe. Anybody who has spent any real time in the Woodbridge Proper section of town at some point came to know Sharon McAuliffe as the owner of Knot Just Bagels. Living on this side of town for 20 years, I became a daily customer of Sharon's when she first opened in 2003. In fact during my time here, there isn't one business or one business owner I spent more time with than Sharon. Sharon's passion for our Downtown Business District, our schools, our children and the neighborhoods in general is amazing. I would often find myself engaged in fascinating conversations about our town and ideas Sharon had thought of. So much that I would often find myself running late to my next appointment, or worst yet bring food back to my family. Sharon's generosity to the community was second to none as she would continuously donate food to the various organization, clubs, and schools without questions. She was also a great employer, in fact, she employed my daughter Olivia in her first job and gave her the real life supportive experience every parent should hope for their child to have. Sharon knows what it takes to be a successful business owner because she listened to her customer base. She communicated and she rang the bell every morning to meet the demands of the community. As my lineage in my Council seat traces back to my former teacher, Mrs. Osborne, who succeeded her husband, who unfortunately passed. Mr. Osborne who was also my Athletic Director. I find it fitting that Sharon is now in a similar position to replace her best friend and our beloved Councilmate Nancy Drumm. Sharon learned early on from Nancy what it took to be a public servant. I was part of many conversations between the two of them when it came to the First Ward and I have no doubt that Sharon McAuliffe is prepared to carry the torch in honor of her friend to represent all of the residents of the First Ward and Woodbridge Township as a whole. It is my honor to second the nomination of Sharon McAuliffe for First Ward Council person.

Mr. Mitch: Thank you Councilman. Do I have any other nominations to fill the vacancy? Any other nominations? Consider this **Resolution # 26** appointing Sharon McAuliffe to fill the vacancy in the First Ward. Can I get a motion to approve a Resolution?

(26) BE IT RESOLVED that the Municipal Council hereby appoints Sharon McAuliffe as First Ward Councilperson of the Township of Woodbridge as described in N.J.S.A. 40A:16-1.1 et seq. to fill the vacancy created with the passing of Nancy Bader-Drumm and serve until the election results of November 2022 General Election are certified by the County Clerk.

Council President Ficarra made a motion, seconded by Councilman Anderson and carried unanimously.

John Mitch, Municipal Clerk, administered the Oath of Office to Sharon McAuliffe as First Ward Councilwoman.

John Mitch, Municipal Clerk: Mr. President that ends my Agenda. Thank you.

Council President Bauer: Thank you. Sharon would you like to make a comment? When you are ready.

Councilwoman McAuliffe: First I'd like to thank my fellow Councilmates for selecting me among the three nominations and entrusting me to serve the First Ward as Council Representative. I'd like to thank Mayor McCormac and his Administration, Caroline Ehrlich, Vito Cimilluca, John Mitch, John Hagerty and each of the Township Directors.

Wow, this is an unexpected road I'm about to travel. Being best friends with Nancy, we shared many of the same values and now being voted in as Councilwoman is the greatest honor I could have in her memory. Nancy made an amazing impact on so many of our lives and loved this town. I will do my best to follow her vision to serve the constituents of Woodbridge and Sewaren. I look forward to working alongside my Councilmates, the Administration and all the departments within the Township to carry on Nancy's legacy while developing my own path to serve my constituents.

Lastly, thank you to my family, friends, Democratic Committee Members, and constituents who supported and congratulated me on becoming the First Ward Councilwoman. I'm so honored to be part of the Woodbridge Township Team. Thank you.

Council President Bauer: Sharon, congratulations and best wishes as you take on the responsibility of the First Ward Councilwoman. You being such a close friend to the late Councilwoman Nancy Drumm, I can't think of anyone better suited to follow her footsteps and add your own incredible value, hard work, and determination to that seat. We trust you will work hard for the residents of the First Ward and all the residents of Woodbridge Township. Welcome aboard. We all look forward to working with you for the success of this great town. Again, congratulations on this new appointment. Well deserved. Does anybody else have anything to say?

Councilman Small: Thank you Mr. President. Sharon, just listening to the nomination and the second by Councilman Ficarra Councilman Anderson, everything is true to the fact. I mean being involved myself with so many organizations, I know how much you gave back to the community. I used to say you know, this girl is working 12 hours a day in a bagel shop and she's donating to every Fire Company, First Aid Squad, PTO, Girl Scouts, everybody, and you never said no. And that's just a testament of who you are. So, I wish you the very best and you're going to be very successful and good luck. Thank you.

Councilwoman McAuliffe: Thank you

Council President Bauer: Anybody else have anything to say?

Councilwoman Meehan: I can't talk long but I know that Nancy would be looking down right now and be very proud of her friend and we welcome you aboard. I know you are going to do great things and we have a great team and we're glad you're a part of it. Thank you.

Council President Bauer: Councilman Spillar.

Councilman Spillar: Thank you Council President. Sharon, congratulations to you and your family. I've had the pleasure of working with you on so many different endeavors and I look forward to working with you as a fellow Councilmate. You're going to have the ability to create your own vision but at the same time continue Nancy's vision and that's incredible. On a side note, on Christmas morning, I think the only thing that was better to my kids Christmas gifts is when I surprised them with your bagels on Christmas morning. Congratulations. Thank you.

Councilwoman McAuliffe: Thank you.

Council President Bauer: Councilwoman DeJesus.

Councilwoman DeJesus: Sharon, welcome aboard. I couldn't think of anybody that's better suited to sit next to me. I know Nancy, like Debbie said, is looking down and she is proud. We're here for you, I echo everyone's sentiment, I don't think that there's nothing that you didn't do for all of Woodbridge Township. You always said yes, no matter what we asked of you. So, welcome aboard. I am sure that you will be great and we have your back.

Councilwoman McAuliffe: Thank you.

Council President Bauer: Councilman Patel.

Councilman Patel: We are going to miss Nancy but you, I think, are the best replacement. I have known you also for many years. I would like to wish you congratulations, wish you all the best and you are getting a great time and we are going to enjoy the company you know. Thank you and good luck.

Council President Bauer: Thank you. We are going to be moving on. Deputy Director Nisky.

Deputy Police Director Nisky: Thank you Council President. On my Agenda I have one Handicapped parking space to add and one Handicapped parking space to delete. That's all I have.

Council President Bauer: Thank you. Director Brew.

Public Works Director Brew: Thank you Council President. My Agenda is in order.

Council President Bauer: Thank you. Business Administrator Cimilluca.

ADMINISTRATION & FINANCE:

Business Administrator Cimilluca: Thank you Council President. I want to congratulate the Councilwoman. The way that this Administration is behind you and we're here to support you and we wish you the best of luck. With that I have several items on my Agenda. For next meeting I have a Sustainable Jersey Grant, I have a Chapter 159 Step Grant, I have a Chapter 159 Body Armor, I have a Tax and Sewer overpayment, 100 % disabled Veteran. A County Tax appeal and an Amendment to the Shared Services Agreement with the Avenel Fire Department for Accounting Services. Thank you, Council President.

Council President Bauer: Thank you. Legal.

LEGAL:

Craig Coughlin, Municipal Counselor: We don't have anything this evening, Council President. But, I would just like to take a second to add my congratulations to Sharon and welcome her to this committee. I think we all wish that Nancy were here and I know there's no one sadder about her not being here than you. We all know you and have had the great privilege of seeing you in action around the community for so many years, as a business woman, someone who cares about the community, as somebody who's involved day in and day out. We know you have all of the character that it takes to be an extraordinary Councilperson. And we are fortunate to have you and I am proud to be up here on the dais with you and congratulations. Nothing this evening Council President.

Council President Bauer: Thank you. Mayor McCormac.

MAYOR:

John E. McCormac, Mayor: Thank you Council President. Sharon, I miss seeing you every morning for the last couple of years. I missed your sausage, egg and extra cheese on a cinnamon raisin bagel with two diet raspberry Snapples every morning. I've seen you in action as Brian said, at all the events. Where's the bagels from? Knot Just Bagels. Where's the food from? Knot Just Bagels. It's what you do for this community is amazing.

I want to congratulate Hugh Drumm. I think the fact that he was here tonight with you as you were getting sworn in with your family speaks volumes about the support that the Drumm family will have for you taking over Nancy's spot. Nancy's irreplaceable, let's face it. There's nobody better at what she did, she was the glue of the Council and she helped people that was what she loved doing is helping people and you saw that and experienced that with her. And if just a little bit of that rubs off on you and you do part of the job that she did, for the next several years, which is what I am hoping you have and I'm sure you will, you'll be fantastic. Congratulations.
