

Minutes of the Council & Board of Health Meeting of the Municipal Council of the Township of Woodbridge, in the County of Middlesex, State of New Jersey held on April 5, 2022 at 6:00 P.M. at the Municipal Building, 1 Main Street, Woodbridge, NJ 07095.

Council President, Howie Bauer: Please rise for our Pledge to the Flag and remain standing for a moment of silence for all our Military personnel serving here and abroad.

Members of the Council and all those present gave the Pledge of Allegiance.

Notice Requirements of the Open Public Meetings Law have been satisfied concerning this meeting. The Home News Tribune and The Star Ledger published the Annual Notice Schedule on December 10, 2021. A copy of the Schedule was posted on the Municipal bulletin board. It should be so noted in the minutes of this meeting.

The Municipal Clerk took the Municipal Council attendance.

MEMBERS PRESENT: Howie Bauer, Gregg Ficarra, Cory Spillar, Kyle Anderson, Debbie Meehan, Lizbeth DeJesus, Sharon McAuliffe, Viru Patel

MEMBERS ABSENT: Brian Small

ALSO PRESENT: Vito Cimilluca, Business Administrator
John Mitch, Municipal Clerk
Marta Darden, Director of Planning and Development
Robert Hubner, Director of Police
George Brew, Director of Public Works
Dennis Green, Director of Department of Health & Human Services
Casey Wagner, Assistant Business Administrator
Craig J. Coughlin, Esq.
Fred Rubenstein, Esq.

The Municipal Clerk: Can I get a motion to approve the minutes from March 15, 2022?

Council Vice President Ficarra moved the adoption of the following minutes seconded by Councilman Anderson and carried unanimously.

Council Meeting: March 15, 2022

The Municipal Clerk called for a Second and Third Reading of the following Ordinances as consent:

- A. AN ORDINANCE AMENDING THE REVISED ORDINANCES OF THE TOWNSHIP OF WOODBRIDGE TO DELETE VARIOUS SECTIONS (HOUSEKEEPING). (2022-12)**
- B. AN ORDINANCE AMENDING CHAPTER X, TAXI CABS AND LIMOUSINES OF THE TOWNSHIP OF WOODBRIDGE REVISED GENERAL ORDINANCES. (2022-13)**
- C. AN ORDINANCE AMENDING CHAPTER 7 ENTITLED “TRAFFIC” SECTION 7-38.2 OF THE REVISED ORDINANCES OF THE TOWNSHIP OF WOODBRIDGE TO DELETE – HANDICAPPED PARKING – VERNON WAY, EAST. (2022-14)**
- D. AN ORDINANCE AMENDING CHAPTER 7 ENTITLED “TRAFFIC” SECTION 7-39 “CONTROL FOR THE MOVEMENT AND THE PARKING OF TRAFFIC ON PUBLIC AND PRIVATE PROPERTY” OF THE REVISED ORDINANCES OF THE TOWNSHIP OF WOODBRIDGE. (2022-15)**
- E. AN ORDINANCE AMENDING CHAPTER XXI, FLOOD DAMAGE PREVENTION OF THE WOODBRIDGE REVISED GENERAL ORDINANCES. (2022-16)**

Tom Maras, Fords: Asked what areas of the town does the ordinance cover and exactly how is it going to effect the flood zone areas and what are the specific flood zones and what does this update do?

Vito Cimilluca, Business Administrator: Council President, this Ordinance would be just to change some verbiage from the County and the State. From time to time they change some verbiage and we change it. This is strictly housekeeping. There is nothing that changes the sustenance keeping within the law.

John M. Mitch, Municipal Clerk: Can I just add to that Mr. Cimilluca? He’s right on point, as an example, replacing “Municipal” Council with “Town” Council, these are the housekeeping changes that indeed we requested.

Tom Maras, Fords: Again asked what particular area of town in that Ordinance itself, aside from what you are amending, does that cover?

Vito Cimilluca, Business Administrator: It covers the entire town Mr. Maras.

Tom Maras, Fords: The entire town is a flood zone?

Vito Cimilluca, Business Administrator: No, the Ordinance covers the entire town. The mappings for the entire town, those flood zones are mapped out in that Ordinance.

Tom Maras, Fords: Right and I am asking what are those flood zones.

Vito Cimilluca, Business Administrator: There's several of them.

John Mitch, Municipal Clerk: Township-wide it's actually a Flood Prevention Program. It impacts the entire Township the way it's adopted so there's measures we can take Township-wide whether there is flooding or not and whether it's in a flood zone or not.

John Mitch, Municipal Clerk: Any other comments on Letter E? Hearing no comment from the public, can I get a motion that the public hearing be closed, the Ordinance be adopted and submitted to the Mayor for approval as required by law?

Council Vice President Ficarra made a motion, seconded by Councilman Anderson and carried unanimously.

F. AN ORDINANCE TO VACATE AND EXTINGUISH THE PUBLIC RIGHT OF A PORTION OF STREETS KNOWN AS HART STREET AND CHAMPION AVENUE IN THE AVENEL SECTION OF THE TOWNSHIP OF WOODBRIDGE, COUNTY OF MIDDLESEX, AND RELEASING AND EXTINGUISHING THE PUBLIC RIGHTS TO SAME. (2022-17)

G. AN ORDINANCE AUTHORIZING THE ACQUISITION BY PURCHASE OR EMINENT DOMAIN OF REAL PROPERTY DESIGNATED AS BLOCK 670.02, LOT 2 ALSO KNOWN AS 270 OLD ROAD IN THE PORT READING SECTION OF THE TOWNSHIP OF WOODBRIDGE. (2022-18)

H. AN ORDINANCE AUTHORIZING THE ACQUISITION BY PURCHASE OR EMINENT DOMAIN OF REAL PROPERTY DESIGNATED AS BLOCK 445.02, LOT 30 ALSO KNOWN AS 31 MARCONI AVENUE IN THE ISELIN SECTION OF THE TOWNSHIP OF WOODBRIDGE. (2022-19)

Tom Maras, Fords: What is the purpose of the acquisition of those properties and what would you do with them once acquired?

Howie Bauer, Council President: On Letter G, which is 270 Old Road, we are going to purchase that to make more parking for the Senior Center in Port Reading. H is providing more parking for downtown Iselin Oak Tree Road businesses. F is a piece of public property we own, the business owner hasn't purchased, and the property around it is a very small piece of public road that's not really being used. So basically he is surrounding it and would like to purchase that so he can encompass his property and take control of that piece of road.

Tom Maras, Fords: If I may, what is the cost of those acquisitions?

Vito Cimilluca, Business Administrator: I don't have those before me. It's still being negotiated.

John Vrtaric, Woodbridge: F, G, and H, Who owns those properties? It is possible to be owned by same owner?

Vito Cimilluca, Business Administrator: So the streets that we're vacating in F, we currently own the right a ways that's encompassed by someone that purchased the entire area around it. It's a small piece of street that we're vacating so they can use the property. For G, I don't know who they are owned by but I know that one is an estate at 270 Old Road and the other one is an investor and that's the one on Marconi. Nobody lives in those properties.

John Mitch, Municipal Clerk: Any other questions of F, G, or H? Hearing no comment from the public, can I get a motion that the public hearing be closed, the Ordinance be adopted and submitted to the Mayor for approval as required by law?

Council Vice President Ficarra made a motion, seconded by Councilman Anderson and carried unanimously.

I. AN ORDINANCE OF THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF WOODBRIDGE, COUNTY OF MIDDLESEX, NEW JERSEY ADOPTING THE "ISELIN LUMBER REDEVELOPMENT PLAN" PURSUANT TO THE LOCAL REDEVELOPMENT AND HOUSING LAW. (2022-20)

Tom Maras, Fords: What is the redevelopment plan for the Iselin Lumber?

Howie Bauer, Council President: The owner would like to do retail and business spaces, incorporating the whole building and remodeling it.

Tom Maras, Fords: How does this effect the Township and the tax payers by allowing this to become retail?

Vito Cimilluca, Business Administrator: This is a private investor it's turning the property from an old lumber yard, the upstairs there is going to be office space, and the lower portion of the larger portion of the old sales office of the lumber yard is going to be part studio/workspace for the artist. He makes totem poles.

Tom Maras, Fords: Is there any public monies going into this?

Vito Cimilluca, Business Administrator: No there is no public money going into this.

Greg Ficarra, Council Vice President: Mr. Cimilluca, if I may, if that space is being revitalized and repurposed I would imagine there will be a higher increase in their contribution to the tax space.

Vito Cimilluca, Business Administrator: Absolutely. We always re-evaluate after there is some type of construction.

John Vrtaric, Woodbridge: On Letter I, asked why it needs any kind of improvement or redevelopment to make it commercial use, it's a commercial property already.

Marta Darden, Director Planning and Development: The redevelopment plan is a change in zoning and this was already a designated redevelopment area with a redevelopment plan and general commercial is not permitted for Iselin Lumber based on their property size.

John Vrtaric, Woodbridge: Is there any kind of clean up that needs to be done to the property?

Marta Darden, Woodbridge: None that we know of, no.

John Mitch, Municipal Clerk: Any other questions on Letter I? Hearing no other questions from the public, can I get a motion that the public hearing be closed, the Ordinance be adopted and submitted to the Mayor for approval as required by law?

Council Vice President Ficarra made a motion, seconded by Councilman Anderson and carried unanimously.

The Municipal Clerk called for a First Reading of the following Ordinances as consent:

- J. AN ORDINANCE AMENDING CHAPTER 7 ENTITLED “TRAFFIC”, SECTION 7-38.1 OF THE REVISED ORDINANCES OF THE TOWNSHIP OF WOODBRIDGE TO ADD HOLLY STREET, SOUTH AND RUSSELL STREET, WEST.**

- K. AN ORDINANCE AMENDING CHAPTER 7 ENTITLED “TRAFFIC,” SECTION 7-43 “PUBLIC PARKING SPACES FOR CHARGING OF THE ELECTRIC VEHICLES” OF THE REVISED ORDINANCES OF THE TOWNSHIP OF WOODBRIDGE TO ADD 105 AVENEL STREET.**

- L. AN ORDINANCE ADOPTING AMENDMENTS TO CHAPTER 150 OF THE TOWNSHIP CODE, ENTITLED “LAND USE AND DEVELOPMENT”, AND THE ZONING MAP.**

- M. AN ORDINANCE OF THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF WOODBRIDGE, COUNTY OF MIDDLESEX, NEW JERSEY, ADOPTING THE “ONE WOODBRIDGE CENTER DRIVE REDEVELOPMENT AND HOUSING LAW,” N.J.S.A. 40A:12:A-1 *et seq.***

Council Vice President Ficarra made a motion, seconded by Councilman Anderson and carried unanimously that these Ordinances be passed on First Reading, to be published in the Home News Tribune on Friday, April 8, 2022 with Notice of Public Hearing to be held on April 19, 2022 at 6:00 P.M.

The Municipal Clerk introduced the following Resolutions as Consent.

Councilwoman Meehan abstained from #40

Councilwoman McAuliffe abstained from #3

Council Vice President Ficarra moved the adoption of the foregoing Resolutions. The motion was seconded by Councilman Anderson and carried unanimously.

Public Meeting:

Council President Bauer: At this time we'll go to the public portion of our meeting. Please state your name, part of the Township or State you are from. You have a one time, five minute time period. All videotaping must be taken within a designated area in the rear of the room and there will be no shouting out from your seat. Please respect each other and please make sure all signs or posters do not block walkways or aisles. Thank you.

John Mitch, Municipal Clerk: Any comment from the public this evening?

Anthony Alfieri, Port Reading: Spoke about trains banging and idling behind his house and the neighborhood every night at 3 a.m. For the last three years smell of diesel fuel in his home, noise and debris are disturbing the families in the immediate living area. Concerned about activity from people from Conrail lingering around his house. Someone flashing a flash light in his daughter's bedroom and horns being blown out of spite.

Vito Cimilluca, Business Administrator: We have been in constant contact with Conrail. We've hired an attorney firm. They've contacted Conrail and we've met with them many times. One of the solutions that we are working on is the railroad spur over the old Bowtie Pool property which is being worked on now. And we are moving utilities so that we can move the railroad spur over. When I say we, in connection with Conrail. Short of that, we've asked many times to get numbers and timing. That's what Conrail asks us for, they have asked for the numbers of the trains and the times it happens. We have six utilities out there. We have been in constant negotiation with Conrail for the spur and it's not an easy thing to build a railroad. It's not our

business, we don't do it, and Conrail does it. So we're at their mercy. We are working with them as diligently as possible to get that project done. The first thing that we do is we've passed it several months ago, where we're putting the sewer system which is our sewer system. Now we have to wait for those other utilities such as the gas company, the water company, and Verizon. I will gladly talk to you after the meeting Mr. Alfieri.

John Vrtaric, Woodbridge: Spoke about the trains, the trains have been a problem for years, the current traffic situation and the traffic worsening after all of the apartments are built.

Howie Bauer, Council President: I think any project that passed for development has to have a traffic study plan.

Vito Cimilluca, Business Administration: That's absolutely correct. There is also plans in motion to redo all the traffic lights on Main Street. All the way up to upper Main Street.

Marta Darden, Director of Planning: We are going to get a grant from the state to improve the traffic light at Wegmans where Vermella is. Every time there is an application in front of the board there are plans to improve the overall infrastructure in the Downtown, it's not just traffic but it absolutely includes every traffic light in the vicinity. Business Administrator Cimilluca is accurate that traffic counts and are reviewed with every application. This has been approved now over a bunch of years with multiple applications. All of whom have had those studies conducted and had those questions answered in front of the board. It's an overall project for the area that we've undertaken over at least a decade and a half now, so we are well suited and well apt with each application to approve the increases in infrastructure that are necessary to handle traffic. And any other concern that may arise including the school which the Mayor has already participated with the Board of Education on upgrading for any possible additional residents that may come in to the Downtown. So we are not going anywhere. Most of the businesses and all of the people here have been born and raised here. And not only are we diligent in addressing those questions and concerns but if by some wild speculation, there is a problem that arises, it's going to be addressed and it's going to be addressed with whoever is the developer of the initial project and the whole area. Because the goal is to make Downtown business better and to make sure that the Downtown is invigorated for the next hundred years. Nobody is going anywhere, they've been planned for 20 years and will be here for another 20 making sure that everything that could be a problem is addressed.

Vito Cimilluca, Business Administrator: Council President, we heard the same concerns when it came to Station Village about the schools and that never came to fruition just as the Mayor said.

James Debrowski, Woodbridge: Called upon Council President Bauer for the denouncement of Clark, NJ Mayor Sal Bonaccorso and the Clark Police Officers for racial and sexist comments and Mayor Bonaccorso's resignation. Spoke about Black Lives Matter, St. Peter's University wearing Black Lives Matter shirts, Anti-Racism pledge in Woodbridge Township Schools. Everyone should all stand against racism. Justice for Nijeer Parks, Justice for Jeremiah Daniels-Porter, stop the Keasbey Power Plant, Earth Day coming up, hate has no home here.

Howie Bauer, Council President: Mr. Debrowski this is the first I am hearing about it and I would like to look into it. Did anyone here on this Council hear about this story?

Kyle Anderson, Councilman-At-Large: I will denounce his comments. I believe it's for the residents of Clark to call for his resignation. So, I will denounce his comments, I heard his comments I heard the tapes and they are deplorable. I do know Sal Bonaccorso. My fence line is Clark. Yes, I am appalled by those comments.

Kasan Little, Elizabeth: Spoke about the Proud Boys attendance and the Council meetings and how they were not denounced, spoke about lynching, the President signing the Anti Lynching bill after hundreds of years. Black people in the country will never feel justice for all, wants the same privilege as white people for black people, silence is violence, direct impact of racism on black people.

Tom Maras, Fords: Spoke about how culturally diverse the Council is. Does not believe anyone on the Council is racist or would allow any racism in this town. Asked if at this time traffic studies can be requested by OPRA for all approved projects.

Vito Cimilluca, Business Administrator: To my knowledge the traffic studies are part of the presenting to the planning board.

Marta Darden, Direct of Planning: There is a study of traffic done with each application. That does not in any way make the answer that we've previously given you in OPRA inappropriate. If there is a study and you've requested it, you've received. If there is not a physical study, that does not mean that traffic was not reviewed and that traffic was not studied. It was, it may not show up as a physical document. If we have the document, any time you ask for it, we'll supply

it to you. But just because there is not a document on file that does not mean traffic has not been reviewed, studied, re-reviewed looked at every way possible because it has each and every time.

Greg Ficarra, Council Vice President: Mr. Cimilluca, back me up. In the summertime there was an event with the Governor at the Community Center which was a main component of the traffic of downtown and that was the entrance to Route 9 up by the Wegmans area which is a major project I believe. And I am sure there is documentation for all that, correct?

Vito Cimilluca, Business Administrator: Absolutely. So there's several agencies involved. There is the State D.O.T., Middlesex County Engineering Office, our engineering office with accordance with the state, we got a grant from the state to do that work it's a little under \$13 million dollars to improve that section of the roadway as it enters into Route 9. Thank Council Vice President for pointing that out.

Greg Ficarra, Council Vice President: Living in the Downtown area that issue backs up all the way into Main Street, effects Downtown and every other artery that goes in there. I just contend that those documents Tom, to your point, are available I'm sure, but that is a key component and I can appreciate that issue of traffic but I believe that's going to be a key factor.

Frank Trombattore, Woodbridge: Spoke about charging stations, hopes a study was done that our infrastructure can withstand such stations. People are still stringing cables out of their windows and across sidewalks to charge their cars and creating hazardous conditions. Spoke about cost of living severely affecting the poor, increase in cost of energy, how Senator Durbin knocked down legislation that would have increased sentence on child pornographers, new judge being put into SCOTUS being light on child rapists and child pornographers, pedophilia is a disease and out of control, children need to be protected.

Enjoli Walters, Woodbridge: Spoke on the children and the Woodbridge community regarding Black Lives Matter that matter to the people in this community, supremacy all over again, people running for Board of Education that have no experience with children. Spoke of using her "privilege" to protect her family.

John Mitch, Municipal Clerk: Are there any other comments this evening from the public? Hearing no other comment, can I get a motion that the public comment portion be closed?

Council Vice President Ficarra made a motion to close the public portion of the meeting which was seconded by Councilman Anderson and carried unanimously.

HOWIE BAUER, COUNCIL PRESIDENT / 2nd WARD COUNCILMAN:

Council President Bauer: At this time we'll go to into our Agendas.

1. 2nd Ward Road Projects.

I have a few announcements. April is Autism month, our flag raising is April 19, 2022 before our Council meeting. The Highland Grove Pool and Spray Park is taking membership registration May 20, 2022-May 21, 2022. Call 732-596-5170 or go to highlandgrove@twp.woodbridge.nj.us for more information. Our Muslim Community is currently celebrating Ramadan which started on April 2, 2022 lasting 30 days and ending on sundown on May 2, 2022. I would like to wish everyone a Happy Passover, a Happy Easter, God Bless our First Responders, all of our Essential Workers and God Bless America. Thank you.

GREGG FICARRA, COUNCIL VICE-PRESIDENT / COUNCILMAN-AT-LARGE:

The Center for Disease Control and Prevention on Tuesday recommend that people 50 and older And those 12 an older with compromised immune systems receive the second booster of the COVID-19 vaccine as long as there is there is 5 months that have passed within. The CDC came up with the State mandate that it will also allow second boosters as well as guidance for people who initially received Johnson & Johnson vaccines. These individuals who subsequently got a booster are now eligible for a second booster. We’re seeing that the CDC is saying that there’s a

slow increase of the new sub variant and the one fact that we know is that these boosters reduce some of the consequences once somebody gets the virus. This is medical stuff, not political stuff that I'm sharing.

I have an update on the working of the Sustainable New Jersey Health Gold Star Program. Woodbridge Township has been very diligent and active with energy and water conservation and have been recognized. The highest honor is a gold star out of 464 participating towns, Woodbridge is the first one to ever to receive that standard. We're carrying that standard over to the New Jersey Health Gold Star Program in health where we're working with local officials, Mayor's Office, Engineering, Woodbridge Health Department, Human Services, volunteers from Healthier Middlesex, medical institutions, and the Mayor's Wellness Campaign, that I am involved with, local high school students, college students, our Board of Health Director and of course the Council to take a look at health in all policies. No matter what the town is dealing with we're trying to look through it with a lens on how it will affect the health of our community so this is a big step that's only a short summary but it will be followed by action plans including a health assessment, followed by the action plan and anywhere we can integrate health into municipal decisions, that's what we are leaning towards.

Mr. Cimilluca, if there is any update again, I'm kind of moved by the continuous passion of the gentleman with the Conrail issue. I know Councilman Booker worked on it. I would like to know if Conrail can be made aware and I would certainly be part of this, of the passion of that presentation. I want them to see that so say what do we say to this man and I know that you're doing everything you can and our town is doing everything they can. But I would like to know what they are doing. I'm feeling a little frustrated because we dealt with this at the Greenway which is a much lighter subject than somebody's backyard. But talking to Conrail is not easy. But I would like them to know and I would like to express my frustration.

Vito Cimilluca, Business Administrator: Council Vice President, to answer your question or your point of view, I also am frustrated with the comments or the conversation that we've had with Conrail. Every time we meet with Conrail they want specifics. When we fail just a little bit to meet that margin regarding the specifics that they are asking for, they push the hurdle down the road a little bit, so it is frustrating. We hired a legal firm to have conversation with them, we've been in contact with them many times, and we've sat in the Mayor's conference room with them many times. It is difficult as they are a hard entity to nail down to a standard.

Understand that there is work that goes on behind Mr. Alfieri's house. It is a transfer station where they're coupling cars back and forth and I do appreciate his frustrations as he said we've been out there many times. We've spoken to him many times and spoken to Conrail many times. It's not like we haven't heard Mr. Alfieri, we are hitting the same frustrations that he is. I appreciate your passion, we share that passion.

Gregg Ficarra, Council Vice President: In regard to some of the presentations tonight, I think that even tonight we've heard different views of things a lot of them I know personally I either agree with or don't agree with. I can certainly say that a lot of the presentations we've received have forced me to research a little bit more as you suggested. We've had this conversation before going down to the books I read and the things that I pay attention to. But when it comes to this official meeting, we have to let people speak their mind whether they agree with us, whether we agree with them, as long as they stay in the boundaries of decency, no vulgarity that type of thing, we believe they have to be able to speak their mind. It doesn't necessarily mean that I personally or anybody else here agrees with them. I think for the Girl Scouts that are here, everybody has a right to say what they have to say as long as it's done in a decent way. Doesn't mean that I Gregg Ficarra agree with it, it doesn't mean that's the way I live my life or anybody else, but as an elected official everybody has to speak. I just felt really that I need to say that and I appreciate everybody speaking and their passion and I do listen and I do try to follow up. I don't always agree but I do hear you. Thank you.

I want to congratulate the PBA and the Police Officers that participated in the basketball game last Friday. It was a fun time. They were Iselin Middle School and they played the students and teachers. The teachers did win but overall it was a great community time. And they raised funds for Special Olympics. Their next game is May 4, 2022 at Woodbridge High School and they will be playing the WHS teachers. That fundraiser will be for Relay for Life. I had a great time, if you want to have a fun time go, it's for charity for a great cause.

The Senior Citizens Police Academy, Leading the Way to a Safer Community, will be made for the month of May 2022 and held every Tuesday. Applications are now available and you can pick them up at Town Hall at the Police Department. I believe in all the Senior Centers, the Community Center or you can go on our Township website. Once you complete the application, you can bring it to the Police Department or email Donna Janocko at or you can call our Police Department for any other information. There will be free breakfast, they will get a t-shirt, a two hour ride along with the police office, tour the police department and there will be seminars on how to safeguard yourself and your home against crime. They will learn CPR and they will do other tours of other facilities in Middlesex County.

6. Youth Employment / Job Fair.
HOLD

We will be hosting a summer job fair this Saturday, April 9, 2022 at the Community Center from 11 a.m. to 2 p.m. This is for anybody looking for summer employment. You have to submit an application in order to attend the job fair. You can get an application at the Human Resources Department here in Town Hall or at the Community Center.

I had a meeting today with the Administration on several of the issues with Conrail. As everybody says they're not a good neighbor plain and simple I met with Mr. Alfieri again along with several residents last week and everything they say is true with the exception that we're not doing anything. We're trying and doing as much as we possibly can. I did realize something after we spoke, Mr. Cimilluca. Is it possible and Director Green, and I know we've done in the past, there is a, because the Blair road overpass is a quiet zone they can't blast the horns the train horns but there is a horn there that goes off any time it recognizes a train coming up and that's if they're just even working. So the horn goes off at all hours it blasts the time if the train is just creeping up and not even going over Blair Road. You can't cut the grass at 3 a.m. because of the noise ordinance. I'm thinking that's probably something in the noise ordinance with that. Is it possible to send the health inspector out to check the decibel level? I know what we have done with roads as well, might have to do that again. At least it gives us more fuel for the fire. There definitely is an issue with the horn and yes I've been out there at 2 o'clock in the morning. I hear it and there is no train it and it just blasts eight times and I'm quite confident that it's past the decibel level.

Vito Cimilluca, Business Administrator: We can absolutely have the health officer go out to a destination and figure out what the noise volume is.

I want to say Happy Easter, Happy Passover, thank you to all of our Emergency Responders, Fire, EMS, Woodbridge Police Department, CERT, Public Works, and Township Employees. God Bless America. Thank you Council President Bauer.

I would like to thank the Mayor and the Administration my fellow council mates for approving Resolution #39 tonight, the emergency funding to conduct research in to radiological presence inside Colonia High School as well as on the grounds. The Township in concert with the school district administration has proactively responded to and prepared a plan to investigate concerns raised by Mr. Lupiano from Colonia, even before action by the Federal and State agencies. The Mayor in conjunction with the Superintendent of Woodbridge Township School District, prior to this emergency funding, initiated discussions and meeting with Federal, State, County, local and health environments along with Congressman Frank Pallone. We requested the agencies move quickly to conduct any necessary research and verification of data so we can officially coordinate and facilitate any actions that will assist in the evaluation of the information and implementation of ant environmental impact studies. Please know that the health and safety of our school community and the Colonia community at large is paramount and this is why the Mayor's office and school district administration has initiated the actions necessary to protect the health and welfare of the Colonia High School Community and that's why it was so important to pass this Resolution tonight. So thank you for moving so swiftly on this.

Springwood Swim Club in now accepting registration for the 2022 season. You can register online or you can go in person on May 13, 2022 – May 15, 2022, May 20, 2022 – May 22, 2022 from 9 a.m. to 1 p.m. at the Club itself which is located at 150 McKinley Avenue in Colonia. If you have any questions about that you can reach out to 732-596-4170. And Mr. Mitch, if you could add that to my Agenda.

April 30, 2022, there is a fundraiser for P.J. Pascalli at the American Legion at 1 p.m. Any kind of gift basket we'll be raffling off. He was in an accident, he is JFK graduate from Iselin, in a very bad car accident about two months ago. He's still in really bad shape and could really use the help of the community and support. You can reach out to me at 732-382-0273 and come out and have a hamburger, its \$10 and come out and help this family. They could really use the support.

I wish everybody a Happy Easter and Happy Passover. Be safe.

Councilman Anderson: Thank you Council President.

1. W.T.Y.R.C.
HOLD

Our recreational basketball season officially ended last week. Although another successful and fun season in the books, teams were practicing and playing throughout the season which lasted from December to March. We also finished with three terrific clinics hosted by each high school. We started out with Woodbridge High school, then we went to Colonia High School and then we finished at JFK High School. They were all free clinics. All students that were registered in the recreation basketball program and a lot of the high school athletes participated in it as well. Clinics again they were free and we had a lot of volunteer coaches that came back and helped so we want to thank all the high school head coaches and some of their assistants and some of their upper classmen. Woodbridge Township recreational baseball and softball practices have begun for both sports. We have over 68 baseball teams and 30 softball teams paying this spring. The games are tentatively scheduled to begin the week of April 11, 2022 and we are very excited about that. Woodbridge Township Rec Soccer will begin practices next week with the season tentatively scheduled to start the week of April 18, 2022. We have over 950 kids signed up and we look forward to a terrific season. This merger of our programs, our softball baseball and soccer programs has proven to be very successful so I just like to thank Mr. Cimilluca as he was a past recreation director these are conversations that he and I and the Mayor had over 10 years ago about these mergers taking place and they've proven to be very successful so thank you very much on that.

Councilwoman Meehan can you refresh, there is a fundraiser for PJ Pascalli. His mother and I graduated together. And Peter came back after he played football in my program and came back with his dad to install carpet at our building for the Broncos and his sister also volunteered in our program so it's nice to see that the community is coming together for that young man.

I want to thank the Girl Scouts for being here. It's great to see you guys all here. I may have a small quiz for you in a few minutes. Here is your quiz. How many of you have heard of Thomas Mundy Peterson? Nobody right? This is what we're talking about with accurate history. Our neighboring town, Perth Amboy after the 15th Amendment was passed which allowed African-American men to vote, Thomas Mundy Peterson who was born in Metuchen but he was a resident of Perth Amboy, he was the first in the United States to vote. The first African American man in the United States to vote. It was a very big deal. Perth Amboy had a Thomas Mundy Peterson day last week, March 31, 2022 because that was the day that he voted in 1870. I asked my boys, my boys are about your age, same thing, and same question do guys know who

he is. This is local history and this is National History and we're hopeful that our teachers and administrators will implement some real history that you guys can learn all about here in this area in your classrooms. The one thing I will give the City of Perth Amboy credit, Perth Amboy is a part of our darkest period of history. They were major port involved in our slave trade. There were two major ports. One was in Camden and the other was in Perth Amboy and there were a few ships that brought in thousands of slaves in through Perth Amboy. However, on the bright side, Thomas Mundy Peterson, they are doing a very good job recognized their darkest part of their history and also where things started to improve where rights were given. So we know African Americans after the 15th Amendment, first one to vote was in 1870. Women, their first rights to vote was 1919. Native Americans came after in 1924. These are things that we should be learning in our classrooms but you've learned something. I hope that you go down to Perth Amboy to their water front where there is a great marker about the slave trade there. Ms. Holt you made a reference to reference to white privilege. When we to their community center and learned about it, John Dyke is the historian for Perth Amboy, he did an eight minute video that's on YouTube that you can pull up but there were white residents of Perth Amboy that came and told him and walked him to Town Hall where he could cast his vote. Where there is that responsibility and I get what you're saying about that. And that was exhibited back in 1870 on March 31st with Tomas Mundy Peterson. So, just a little bit of history.

Lastly, I just want to mention that our Juneteenth celebration will not actually be on June 19th because June 19th is on a Sunday. We know that we'll get more people to come out on a Saturday. We had a very successful Juneteenth celebration with the Woodbridge Organization of Neighbors Advocating Change. It will be the same weekend on June 18th from 12 p.m. to 4 p.m. at the Woodbridge High School concert grounds behind Woodbridge High School. We'll have music, some of our leaders, great good, lots of activities for young people and our families to come out for everyone to come in and participate and acknowledge that day. We all know why we're doing Juneteenth right? You guys probably learned a lot about Juneteenth last year right? Okay, that one we all know.

I just want to thank you guys for coming out, I was a scout myself and I'm glad to see a lot of our teenagers are still involved in the scouts. Good luck and congratulations on your merit badge. Thank you.

HOLD

Earth Day celebration will be on Saturday, April 23, 2022 in the Township parking lot from 9 a.m. to 1 p.m. This is going to be a great event so please mark your calendars. You can also take a walk on the new Watson Avenue-Crampton Avenue Trail where the students will be planting trees on Earth Day.

20. Green Infrastructure
HOLD

Good evening. I'd like to start by thanking the Administration, DPW, Recreation, Health Department, Senior Services and the Police for their amazing support. I've been receiving positive feedback from my constituents for the prompt response relating to their concerns and questions. This is a great reflection on how we work well together as a team and I am proud to be part of this team as First Ward Councilwoman in Woodbridge Proper and Sewaren and I am excited to continue serving the residents in my Ward. My Agenda is in order and I just have a few announcements to make.

Happy Easter, Happy Passover and Happy Ramadan.

JOHN M. MITCH, MUNICIPAL CLERK

Council President Bauer: Mr. Mitch.

Mr. Mitch: Thank you Mr. President.
