Council President Spillar: Director Green:

Director Green: Thank you Council President. I just have a couple of items tonight; my agenda is mostly in order. Local Health Report – Thank you for the resolution approving the National Health report; I hope you found it informative. The next item would be our Free Rabies Clinic No. 3. We have our next clinic on September 17th and 18th between 5:00 P.M. and 7:00 P.M. at the Woodbridge Public Health Center. Last but not least is the Opioid Overdose Recovery Program. As you know we're continuing the Blue Cares Grant from Middlesex County for the past year. We've been notified that they're wishing to continue that for another year so we're really excited about that. Also the second grant, Half Ways to Recovery which Dr. Bonnie Nolan is operating that's something we've been kicking off now with a multifaceted approach to get assistance affected by the opioid crisis. It's a very innovative program and it requires the partnership of the Middlesex County Workforce Development, Middlesex County College and Mainstream Recovery and we look forward to giving you more information on that as that progresses, thank you Council President.

Council President Spillar: Thank you Director; excellent report.

On a motion made by Council Vice President DeJesus, seconded by Councilman Small and carried unanimously, Council President Spillar adjourned the meeting at 7:25 P.M.

Cory S. Spillar
Council President
