

Looking to save commuting and gas costs?

Carpooling Makes \$ense is a carpool incentive program encouraging commuters to carpool to and from work in Middlesex County.

Commuters willing to start and maintain a NEW carpool for 24 days over the course of 2 months will receive up to a \$200 Gas Card.

Carpooling Makes \$ense is organized by **Keep Middlesex Moving, Inc.** – a nonprofit organization that works to improve mobility, reduce traffic congestion and improve air quality in Middlesex County.

Keep Middlesex Moving is committed to creating transportation solutions such as carpooling, vanpooling, mass transit, compressed work week, telecommuting and much more.

The **Carpooling Makes \$ense** program is open to registered carpools whose final work destination is Middlesex County.

For more information regarding **Carpooling Makes \$ense**, please read the program requirement page or call 732-745-4318.

Full details of the **Carpooling Makes \$ense** program can be found at http://kmm.org/kmm/carpool/kmm_carpoolcents.php.

Check it out – it's worth a tank of gas and probably several more!
