**TOMMY TOOLBOX** is a home repair program that provides general home repair services for low-income, elderly and disabled Woodbridge Township homeowners. Depending on the size of the repair, the homeowner may pay for the materials, but the labor would be done at no cost to the homeowner. In certain instances (financial eligibility) the program may cover the costs.

**TOMMY TOOLBOX** is an extension of the annual Tooling Around the Township Program which takes place the last Saturday in April.

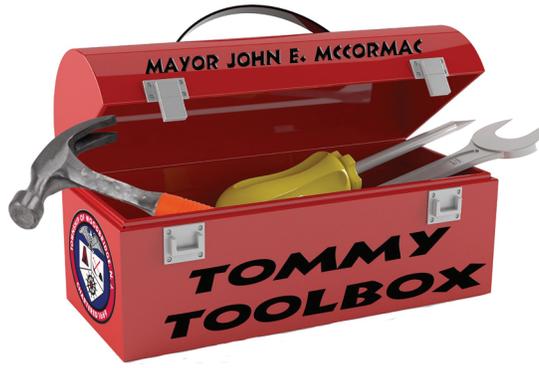

**TOMMY TOOLBOX** operates throughout the year to provide the services of a “handyman” who will make general repairs at qualifying residences in Woodbridge Township.

For more information or to nominate a home for the program, please call: 732-634-4500 or log on to the Woodbridge Township website at: [www.twp.woodbridge.nj.us](http://www.twp.woodbridge.nj.us) (go to left column and click on Tooling Around the Township and choose TOMMY TOOLBOX.
