

**WOODBRIIDGE TOWNSHIP EMERGENCY SNOW STREEETS
TEMPORARY PARKING PROHIBITION FOR SNOW PLOWING AND REMOVAL.**

Ordinance - 7-10.1 Snow Removal

a. Whenever snow has fallen and the accumulation is such that it covers the streets and highways, an emergency shall exist and no vehicle shall be parked on the streets or highways or portions thereof indicated.

The above parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

b. Any unoccupied vehicle parked or standing in violation shall be deemed a nuisance and a menace to the safe and proper regulation of traffic and any police officer may provide for the removal of such vehicle. The owner shall pay the costs of the removal and storage, which may result from such removal according to the service rates as set forth in subsection 4-7.15 of the General Revised Ordinances before regaining possession of the vehicle. Such costs shall be in addition to any penalty or penalties incurred as thereafter set forth.

c. The effectiveness of this subsection is contingent upon signs being erected as required by law.

d. Unless another penalty is expressly provided by New Jersey statute, every person convicted of a violation or provision of this section or any supplement thereto shall be liable to a penalty of not more than fifty (\$50.00) dollars or imprisonment for a term not exceeding fifteen (15) days, or both.
