Dear Parents and Guardians,

I hope this finds you well. We have become aware of a social media post and associated news reports suggesting a connection between Colonia High School and specific health concerns. Upon hearing this information, Mayor John McCormac and I immediately met to develop a plan to evaluate the concerns. In concert with the Township Department of Health, we initiated contact with various federal, state, county, and local health and environmental agencies.

We requested that the agencies move quickly to conduct any necessary research so we can efficiently coordinate and facilitate any actions that will assist in the evaluation of the information. Please know that the health and safety of our school community is paramount. We will maintain contact with any and all agencies now involved in reviewing the data and investigating the issues of concern in order to keep our public informed of any findings. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Joseph Massimino".
