ORDINANCE 17-__

17-43

AN ORDINANCE OF THE TOWNSHIP OF WOODBRIDGE, COUNTY OF MIDDLESEX AND STATE OF NEW JERSEY, AMENDING AND SUPPLEMENTING CHAPTER 150 OF THE TOWNSHIP CODE, ENTITLED "LAND USE AND DEVELOPMENT" TO UPDATE PROVISIONS ASSOCIATED WITH AFFORDABLE HOUSING DEVELOPMENT FEES

WHEREAS, in *Holmdel Builder's Association V. Holmdel Township*, 121 NJ 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 (the Act), N.J.S.A. 52:27d-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.

WHEREAS, pursuant to PL 2008, c.46, Section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), the Council on Affordable Housing (COAH) is authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of a court of competent jurisdiction and have an approved spending plan may retain fees collected from non-residential development.

WHEREAS, pursuant to the March 10, 2015 Supreme Court Order, the Court transferred all functions, powers, and duties to the Courts. Any and all references to COAH shall mean the Courts.

WHEREAS, this ordinance establishes standards for the collection, maintenance, and expenditure of development fees pursuant to the Court's regulations and in accordance PL 2008, c.46, sections 8 and 32 through 38.

BE IT ORDAINED, by the Mayor and Council of the Township of Woodbridge in the County of Middlesex and State of New Jersey as follows:

SECTION 1. Section 150-83, Affordable Housing Requirements, Subsection G, Affordable Housing Development Fees, is hereby deleted in its entirety and replaced with the following new Subsection G:

G. Affordable Housing Development Fees

(1) Basic Requirements

- (a)** This Ordinance shall not become effective until approved by the Court pursuant to N.J.A.C. 5:96-5.1.
- (b)** The Township of Woodbridge shall not spend development fees until the Court has approved a plan for spending such fees in conformance with N.J.A.C. 5:97-8.10 and N.J.A.C. 5:96-5.3.
- (c)** This Ordinance shall be interpreted within the framework of COAH's last adopted rules on development fees, codified at N.J.A.C. 5:97-8, as same may be interpreted and applied by the Court.

(2) Imposition of Affordable Housing Development Fees

(a) Residential Development

- [1]** Within the all Township zoning district(s), residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of one percent (1.0%) of the equalized assessed value for residential development, provided that no increased density is permitted.
- [2]** Where an increase in density is permitted through a variance granted pursuant to N.J.S.A. 40:55D-70d(5) or a rezoning, redevelopment plan, or redevelopment plan amendment that is adopted after the effective date of this ordinance, developers shall be required to pay a development fee of six percent (6.0%) of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include a set-aside of affordable housing units. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee

shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

(b) Nonresidential Development

- [1] Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted below, shall pay a fee equal to two and one-half percent (2.5%) of the equalized assessed value of the land and improvements for all new non-residential construction on an unimproved lot or lots, provided that no increase in floor area is permitted.
- [2] Non-residential developers, except for developers of the types of development specifically exempted below, shall pay a fee equal to two and one-half percent (2.5%) of the increase in total equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
- [3] Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and one-half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the preexisting land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, at the time the final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.
- [4] Developers that convert any portion of an existing residential structure to a nonresidential use shall pay a development fee of two and one-half percent (2.5%). The development fee shall be calculated based on the increase in the equalized assessed value of the converted structure.

(3) Eligible Exactions, Ineligible Exactions and Exemptions

(a) Residential Development

- [1] Developers of low- and moderate-income housing shall be exempt from paying development fees, provided that the minimum number of affordable units required for the development is completed in accordance with this chapter. Where affordable units are required and where the developer has been authorized by the Township to make a payment in lieu of constructing the affordable housing units the amount of the payment in lieu of construction shall be calculated and paid to the Township in accordance with Section 150-83C(7). Any development of fewer than five (5) new market-rate residential units shall be subject to the payment of the affordable housing development fee pursuant to the provisions of this Ordinance, Affordable Housing Development Fees. A payment-in-lieu-of-construction or development fee payment shall only be used to fund affordable housing activities within the Township in accordance with N.J.A.C. 5:97 or as approved by COAH or the Court.
- [2] Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The applicable development fee percentage shall be vested on the date that the building permit is issued.
- [3] Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.
- [4] Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
- [5] Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense

use, which requires the issuance of a Certificate of Occupancy (for example, when a single-family home is converted to a two-family home or a single-family home is converted to an apartment building). The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.

- [6] Development fees shall be imposed and collected when a Certificate of Occupancy is issued for a new residential unit on a newly created lot that is the result of a subdivision. The development fee shall be calculated on the equalized assessed value of the land and improvements.
- [7] Additions to existing homes and improvements such as decks, patios and like shall be exempt from the payment of a development fee.

(b) Nonresidential Development

- [1] The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to the two and one-half percent (2.5%) development fee, unless otherwise exempted below.
- [2] The two and one-half percent (2.5%) development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing building footprint, reconstruction, renovations and repairs.
- [3] Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.
- [4] A developer of a non-residential development exempted from the non-residential development fee pursuant to P.L.2008, c.46 shall be subject to the development fee at such time as the basis for the exemption no longer applies,

and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy for the non-residential development, whichever is later.

- [5] If a property that was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by the Township of Woodbridge as a lien against the real property of the owner.
- [6] Developers that have received final approval prior to the adoption of a municipal development fee ordinance shall be exempt from paying a development fee, unless the developer seeks a substantial change in the approval.
- [7] Exempted from these provisions shall be approvals for the following classes of development:
 - [a] Utility facilities
 - [b] Educational, cultural and outdoor recreational facilities
 - [c] Quasi-public uses, including clubs, lodges and similar uses
 - [d] Public uses
 - [e] Hospital uses

(4) Collection of Fees

- (a) Upon the granting of a preliminary, final or other applicable approval, for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
- (b) For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-

Residential Development Certification/Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

- (c) The construction official responsible for the issuance of a building permit shall notify the local tax assessor of the issuance of the first building permit for a development which is subject to a development fee.
- (d) Within 90 days of receipt of that notice, the municipal tax assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the development.
- (e) The construction official responsible for the issuance of a final certificate of occupancy shall notify the local assessor of any and all requests for the scheduling of a final inspection on property which is subject to a development fee.
- (f) Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
- (g) Should the Township of Woodbridge fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in subsection b. of section 37 of P.L.2008, c.46 (C.40:55D-8.6).
- (h) Fifty percent (50%) of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference

between the fee calculated at building permit and that determined at issuance of certificate of occupancy.

(j) Appeal of development fees:

[1] A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest bearing escrow account by the Township of Woodbridge. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq. within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

[2] A developer may challenge non-residential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by the Township of Woodbridge. Appeals from a determination of the Director may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq. within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

(b) The following additional funds, if collected by the Township, shall be deposited in the Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:

- [1] payments in lieu of construction of affordable units, except that payments in lieu of construction made pursuant to Section 150-83C(7) shall be separately identifiable from other payments in lieu of construction as a sub-account within the Affordable Housing Trust Fund;
